## Online warranty and WPQR registration

## 1. Online warranty/WPQR registration made easy!

(1) Enter the serial numbers (you can leave out the zeros at the beginning) of your machines and the date of purchase.

New machines can be registered within 30 days of purchase only. If you would like to register after 30 days, please contact us by telephone.

(2) If you have purchased several machines on the same date, click on the **"Copy the date for all serial no."** button and enter the other serial numbers.

The description of your machine is displayed automatically once you have correctly entered the serial number of your machine.

- (3) If you would like to register more than three machines, click on the **"Enter additional serial no."** button for more input fields.
- (4) Click the "Next" button to go to the "Your contact details" screen.

Simply enter the serial number and purchase date of the power source, wire feeder, cooling unit and/or EN 1090 WPQR package.
